

Youth Program at Church Here Sunday Evening

An unusual evening program inaugurating Youth Week has been scheduled for 7:30 p. m. Sunday, April 28, at the Methodist church. Speakers will present brief outlines of constructive plans being used in schools, community, homes and churches to aid young people in becoming wholesome citizens.

Judge Robert Lessing will speak as representative of the Coordinating Council and the courts. Miss Doris Worrell will present "An Interpretation of the Individual's Problem" and Mrs. Stella Young will refer to the efforts to understand some of the more perplexing factors in current life thru the school classroom. Other speakers will touch the home and church as major factors in the development of our growing citizenry.

Mrs. W. I. Laughlin will sing several solo numbers, accompanied by Mrs. Gertrude Boyle, while John Young will lead the congregational singing. This program has become widespread thru the sponsorship of the Coordinating Council in state, county and local agencies and has been thoroughly tested and proven as a valuable stimulant to an otherwise adult indifference toward the perplexities of youth.

Local leaders of organizations which provide constructive activities for youth are invited to attend.

Huntington Park May Secede from L. A. School Dist.

Possibility that Huntington Park may seek to secede from the Los Angeles City School District and again take over the management of its own schools is being generally discussed according to reports from that city.

Prompting the agitation for severing Huntington Park's affiliation with the Los Angeles City schools is recent action of board officials in refusing to appropriate approximately \$3,000 for the high school athletic field.
